Dear Sigma Chi Brother,

I would like to invite your chapter to participate in Sigs and Sluggers.

Sigs and Sluggers is simply a day at the ballpark (St. Louis Cardinals Vs. Arizona Diamondbacks) sponsored by Sigma Chi, with the intention of raising money for the Huntsman Cancer Institute. The Southeast Missouri State and Mizzou chapters of Sigma Chi have teamed up to sponsor the event. We have bought one-thousand tickets to the game, which is to take place on July 18th. These tickets were purchased at \$14.00 a piece, and are being sold through www.stlcardinals.com/sigmachi at \$30.00. This means that per ticket sold, \$16.00 is donated to the Huntsman Cancer Institute.

In order to make this event a success, we need a great deal of effort and participation from chapters across the country, and especially in the Midwest. As a chapter, I challenge you to get involved with this event, and on July 18th, come and represent your chapter and our Fraternity.

This is a great event to bring Sigs from across the country together, as well as show the public what we are about. With nearly 1000 Sigs at a baseball game in the heart of St. Louis, a good time is sure to ensue.

If you chose to participate, please elect a representative to be the liaison between myself and your chapter in order to have an efficient line of communication. I also invite you to visit our website, www.webstarts.com/sigsandsluggers where you can sign up for our newsletter, and read current updates and find out who else is going.

Signed,

Dan Herrin
